Mr. West, who served with credit on the state board of equalization is one of the most popular citizens of the north side.

One of the very best Aldermen in the City Council is Edward F. Callerton.

Automobiles who flash their "bright lights" in the eyes of pedestrians and other motorists cause most of the auto accidents.

Otto Kerner, the well known lawyer and popular master in chancery is so frequently mentioned for Judge of the Municipal Court that his friends who are legion are hoping that he will make the race. Charles Appel, the popular proprietor of the North Side Turner Hall, has built up one of the finest restaurant trades in Chicago by his general methods and strict attention to business. People who have patronized his popular restaurant at 520 N. Clark street, are never tired of praising the good cooking and splendid meals.

Thousands of Chicago soldier boys need jobs. What's the matter with giving them places in the City Hall. Some of the barnacles have been there too long. They think the city belongs to them.

ABOLISH THIS JOB

The Department of Public Service is an Unnecessary Hardship on the Taxpayers.

The city department of public service should be abolished.

It is an unnecessary nest of sinecures.

The biggest sinure in it is the job of commissioner.

A visit to his office may disclose this fact.

This department cost the weary taxpayers of Chicago, \$76,910 last year.

It pretends to receive, investigate and adjust complaints regarding service, rates, products and other matters relating to the health, comfort, convenience or safety of the public as affected by public utilities.

Let us laugh.

Everybody knows what a joke this department is and how little it does.

Charles E. Ummach, as president of R. Williamson & Co., is at the head of the largest maker of lighting fixtures in America.

William C. Niehoff would make a good County Commissioner. No man is better posted on public affairs.

Coroner Peter M. Hoffman is one of the most popular public officials in Illinois.

Messengers restaurants which can be found all over the city are very popular with everybody. They are clean, wholesome, sanitary and bright. The food is of the best quality and the service is excellent.

Amos C. Ryan, the popular president of the Central Transfer company, stands high with the theatrical profession.
